Instructions for the submission of proposals on the Italian beamtime quota

You need to access the following page at the ESRF site:

https://www.esrf.fr/misapps/SMISWebClient/protected/welcome.do

and enter with your "ESRF user" credentials. If this is your first time you can create a profile with the CREATE menu at the bottom of the page.

Once having logged in as a User, click on:
Proposals/Experiments -> Proposals

and you will be in this page
(if not, click on the field "New proposal" in the top-left region.)

Select **CGR Proposal**, and **GILDA-Hutch XAS** and you will get in this page:

Here you will provide all the details of your experiment as in the standard ESRF proposal.
