

3rd iNEXT Annual Users Meeting

19th-21st March 2018, EPN Campus, Grenoble, France

Confirmed Speakers:

Christian Griesinger, MPI for Biophysical Chemistry, Göttingen, Germany
Maria Sunnerhagen, Linköping University, Sweden
Chris Ulens, Laboratory of Structural Neurobiology, Leuven, Belgium
Ilme Schlichting, MPI for Medical Research, Heidelberg, Germany
Jürgen Pitzko, MPI for Biochemistry, Martinsried, Germany

Organizing Scientific Committee:

Bernhard Brutscher, Grenoble
Rolf Boelens, Utrecht
Tassos Perrakis, Amsterdam
Vladimir Sklenar, Brno
Harald Schwalbe, Frankfurt
Josan Marquez, Grenoble
Gordon Leonard, Grenoble
Marjolein Thunnissen, Lund
Stefan Raunser, Dortmund

The EU-funded structural biology project **iNEXT** provides free user access to some of the most advanced facilities for structural biology in Europe: X-ray synchrotron sources, high-field NMR facilities, Electron Microscopy, and other imaging and biophysical characterization facilities.

The **3rd Annual Users Meeting of iNEXT** will take place at the European Photon and Neutron (EPN) Science campus in **Grenoble (France)**. The meeting is intended to bring together iNEXT users of the various facilities, and iNEXT partners to exchange on recent scientific advances made in the field of structural biology.

A large part of the meeting (Monday 19th afternoon and Tuesday 20th) is devoted to scientific presentations in various fields of structural biology, with keynote lectures given by 5 invited speakers, and 10 additional talks selected from the abstracts submitted by registered iNEXT AUM participants. **Registration to the event is free of charge.** The 3rd Annual Users Meeting will be followed by a dedicated “iNEXT meets Industry” workshop from 21st to 23rd March 2018.
